A Pair of Red Clogs is a culture rich story with beautiful illustrations and a quality moral that will touch the heart of children young and old. The thing I loved most about the book was the gentle understanding with which Mako's parents treat her, and the true-to-life depiction of a child's natural thought process when they have broken something new and dear to them.

A Pair of Red Clogs by Masako Matsuno - Goodreads

For Mako, a little Japanese girl, the new shoes were clogs painted with red lacquer that shone beautifully. This is the story of what happened after she cracked the new clogs playing the weather-telling game and so longed for a bright, shiny new pair to replace them that she almost did a dishonest thing.
