AB Sugar is a group of businesses that is part of Associated British Foods plc (ABF), the international ingredients and retail group. We operate across 27 plants in 10 countries and employ around 32,000 people. The heart of our business is making and selling sugar, but we do much more than that. As well as ' core products ', made from sugar beet and sugar cane, we also make ' co-products ', which can include anything one or two ' steps ' away from the sugar-making process: animal ...

Is it safe to receive a bank transfer from a Sugar Daddy? The simple answer is yes. A traditional bank wire transfer will require the sender to have your full name, address of record with the bank, bank account and routing number. There obviously has to be a level of trust and safety between the two parties to divulge that information.
