stimulating.” —Philosophy One of the founders of existentialism, the eminent philosopher Karl Jaspers here presents for the general reader an introduction to philosophy. In doing so, he also offers a lucid summary of his own philosophical thought. In Jaspers' view, the source of philosophy is to be found “ in wonder, in

publication of the first edition of Physics in 1960 launched the modern era of Physics textbooks. It was a new paradigm at the time and continues to be the dominant model for all texts. Physics is the most realistic option for schools looking to teach a more demanding course. The entirety of Volume 2 of the 5th edition has been edited to clarify

Jürgen Habermas is one of the most influential philosophers of our time. His diagnoses of contemporary society and concepts such as the public sphere, communicative rationality, and cosmopolitanism have influenced virtually all academic disciplines, spurred political

Online Library Apostila De Sociologia Col Gio

debates, and shaped intellectual life in Germany and beyond for more than fifty years. In *The Habermas Handbook*, leading Habermas scholars elucidate his thought, providing essential insight into his key concepts, the breadth of his work, and his influence across politics, law, the social sciences, and public life. This volume offers

Online Library Apostila De Sociologia Col Gio

a comprehensive overview and an in-depth analysis of Habermas ' s work in its entirety. After examining his intellectual biography, it goes on to illuminate the social and intellectual context of Habermasian thought, such as the Frankfurt School, speech-act theory, and contending theories of democracy. The Handbook provides an

Online Library Apostila De Sociologia Col Gio

extensive account of Habermas' s texts, ranging from his dissertation on Schelling to his most recent writing about Europe. It illustrates the development of his thought and its frequently controversial reception while elaborating the central ideas of his work. The book also provides a glossary of key terms and concepts, making the
