A timeless comics and animation classic, Osamu Tezuka's Astro Boy is still going strong nearly half a century after its creation, and Dark Horse brings Tekuza's original Astro Boy manga to America for the first time in an English-language edition. In the novel-length "The Greatest Robot on Earth," a wealthy sultan creates a giant robot to become the ruler of all other robots on Earth. But in order for that to happen, he must defeat the seven most powerful robots in the world, including Astro Boy, who must have his horsepower raised from 100,000 to

Light This Candle, based on Neal Thompson's exclusive access to private papers and interviews with Shepard's family and closest friends—including John Glenn, Wally Schirra, and Gordon Cooper—offers a riveting, action-packed account of Shepard's life. Among the first men to fly off aircraft carriers, he was one of the most fearless test pilots. He endured long separations from his devoted wife and three daughters to fly dangerous missions, working his way up the ranks
