If your paperback is printed with black ink, you can choose cream or white paper. For paperbacks with color ink, you can choose white paper, which shows a higher contrast for images and graphics. For example, you're publishing a textbook with lots of images, tables, and charts. White paper will make these visual elements more striking.

Published commercial algorithms to guide health decisions. Obermeyer et al. find evidence of racial bias in one widely used algorithm, such that Black patients assigned the same level of risk by the algorithm are sicker than White patients (see the Perspective by Benjamin). The authors estimated that this racial bias reduces the number of Black patients identified for ...
