“ Here we go, I said to myself as my system electrified with the familiar rush of adrenaline. ” On July 18, 1967, Staff Sergeant James Donahue and the men of Special Forces Detachment A-304 were on an operation; code-name Blackjack-34. Their mission: to find and engage an enemy battalion that was thought to be operating in an enemy-controlled area north of Quon Loi, Vietnam. Now Donahue bears witness to the horrific events of that day and the exceptional grit and heroism of his teammates. Blackjack-34 is a magnificent tribute to the warriors of the Mobile Guerrilla Force their courage and willingness to press on, no matter what the odds. From the Paperback edition.

Designed to aid the serious player beat the games in today's modern casino environment. The days when you could simply master a count and expect to be a winner are gone forever. As a result, winning at blackjack requires not only numerous skills, but also a lot of thinking about the game. Unlike most blackjack books, this text assumes that you already know how to count cards, and it introduces techniques that should be useful to the successful player. The topics covered are card domination (more commonly known as shuffle tracking), theoretical concepts, blackjack biases, current blackjack, mistaken ideas, supplemental strategies, playing in a casino, obsolete techniques, and front loading. In addition, advice is offered on gambler's ruin, the one-deck game, back counting, betting strategies, heads-up play, becoming a professional, casino preparation, first basing, and much more.

“ You have to react instinctively. In this game there 's no second place, only the quick and the dead. ” In Vietnam, Mobile Guerrilla Force conducted unconventional operations against the Viet Cong and North Vietnamese Army. Armed with silencer-equipped MK-II British Sten guns, M-16s, M-79s, and M-60 machine guns, the men of the Mobile Guerrilla Force operated in the steamy, triple-canopy jungle owned by the NVA and VC, destroying base camps, ambushing patrols, and gathering the intelligence that General Westmoreland desperately needed. In 1967, James Donahue was a Special Forces medic and assistant platoon leader assigned to the Mobile Guerrilla Force and their fiercely anti-Communist Cambodian freedom fighters. Their mission: to locate the 271st Main Force Viet Cong Regiment so they could be engaged and destroyed by the 1st Infantry Division. Now, with the brutal, unflinching honesty only an eye witness could possess, Donahue relives the adrenaline rush of firefights, air strikes, human wave attacks, ambushes, and attacks on enemy base camps. Following the operation the surviving Special Forces members of the Mobile Guerrilla Force were decorated by Major General John Hay, Commanding General, 1st Infantry Division.

The author recounts his tour of duty with an experimental, mobile unit made up of Green Berets and Cambodian mercenaries that was to be the United States' only attempt at guerrilla warfare in the Vietnam War. Original.
