If you are going to be successful in creating the life of your dreams, you have to believe that you are capable of making it happen. Whether you call it self-esteem, self-confidence or self-assurance, it is a deep-seated belief that you have what it takes; the abilities, inner resources, talents, and skills to create your desired results.

In a nutshell, lifestyle design embodies the attempt on your part to design a life of your choosing, whatever that looks like. It's your life, your plan, and you call the shots. Just because your parents lived in a small town, got married at 17, and worked a 9-5 for 30 years, that doesn't mean you have to do the same.
