If Your Child Struggles To Relax & Fall Asleep At Night, Then These Fun & Educational 5 Minute Short Bedtime Stories Could Be The Solution You Need... Welcome to the Bedtime Stories revolution! I have made it my mission to create the bedtime stories revolution to help parents and kids enjoy a deeply relaxing daily bedtime story every night before sleep. Why? I strongly believe in the incredible power of bedtime stories for several reasons. Firstly, bedtime stories help children sleep, which has become an issue for many children (and adults!) in this digital, tech-fueled society. So, by installing these healthy sleep habits in your Child from a young age, you are helping them not only get the deep sleep the need now, but also developing healthy habits that will last a lifetime. Put simply, Sleep is essential to your child's development. Adequate amounts of sleep leads to improved attention, behavior, learning, memory, quality of life, and mental health! But the benefits go beyond sleep. Stories allow you and your child to deeply connect at the end of each day, a time your child will cherish, and look forward to each day. And, we haven't even mentioned the countless life lessons that can be portrayed through the power of storytelling, as well as the numerous cognitive, mental & emotional benefits regular Bedtime Stories can bring. (In fact, I am a big believer that Fiction can even teach us more than Non-Fiction in many cases!) Also, study after study has shown how bedtime stories help improve children's well-being, learning potential, creativity, child-parent bonding, and can make them far happier than scrolling on their iPad aimlessly while inspiring children to become amazing creators. And, this particular book contains only short 5-Minute stories, which is perfect for Children who struggle to concentrate for long periods, and is the PERFECT introduction for young children to get started reading & listening to stories. Then, after a while when you both feel ready, you can move onto the longer & more explorative stories in the other books in this series! Also, it allows for you and your child to potentially listen or read (You get a FREE PDF with each purchase) several stories a night, meaning even more stories to connect over & learn from together! So, If You Want To Deeply Bond Every Night With Your Child Using The Amazing Educational & Entertaining Power Of Bedtime Stories Then Scroll Up And Click "Add To Cart."
