

Read Book Dna Replication Questions And Answers

Dna Replication Questions And Answers

Getting the books dna replication questions and answers now is not type of inspiring means. You could not unaided going later books amassing or library or borrowing from your links to contact them. This is an entirely easy means to specifically get guide by on-line. This online pronouncement dna replication questions and answers can be one of the options to accompany you gone having supplementary time.

It will not waste your time. agree to me, the e-book will entirely reveal you other matter to read. Just invest little time to retrieve this on-line declaration dna replication questions

O A. 2... | bartleby

Answer Marks 1. A) i) ii)

Phosphodiester b) i) -It makes the molecule more compact -stores more information -The genetic code is protected -Easily replicated ii) 1:

Adenine/Guanine 2:

Guanine/Adenine 3:

Cytosine/Thymine 4:

Thymine/Cytosine iii) During replication/to ensure the genetic is copied correctly

AQA, OCR, Edexcel A Level A Level Biology

Answer: Proof-reading DNA polymerase is said to have a 5'-3' polymerase ability, meaning that it synthesises DNA starting at the 5' end

Read Book Dna Replication Questions And Answers

and works towards the 3' end. If an error occurs, the progression of DNA polymerase halts and it moves backwards, degrading the DNA that it has just synthesised.
