The term 'reward' generally covers all financial provisions made to employees, including cash pay, and the wider benefits package (such as pensions, paid leave). It can also include wider provisions for employees, with the term 'total reward' sometimes used to encompass non-pay benefits. Pay may be divided into two categories:

### *Reward | Factsheets | CIPD*

Reward strategy concerns the design and implementation of reward policies and practices to support and advance organisational objectives. Here you'll find information on strategic, total, international and executive reward, market pricing and job evaluation, how to get the most value out of rewards, reward management, pay, and risks.

Employee 'perks' offer a way to attract and retain employees. Learn how to implement a variety of employee benefits as part of a wider reward strategy.

### *Employee Benefits | Factsheets | CIPD*

Employee pay is the compensation employers pay to employees for the work they do. We explore the fundamentals of employee pay, rewards and bonuses. Information on Employee Pay | CIPD

### *Information on Employee Pay | CIPD*

Giving employees some form of reward for a job well done is an essential part of remaining a competitive and meritocratic organisation. But for decades our understanding of the role of extrinsic reward in motivation – and, especially, how it works alongside intrinsic rewards (the psychological benefits employees gain from making a meaningful contribution to their workplace) – has been patchy.

### *Which rewards really motivate your employees? | People ...*

'Reward' encompasses everything an employee derives from their work. Extrinsic rewards are tangible, covering pay, bonuses and benefits. Intrinsic rewards are the psychological benefits each employee gains from making a meaningful contribution through their work.

Reward and Benefits Conference 2020 Thanks for attending the digital CIPD Reward and Benefits Conference. We're committed to supporting your professional and personal development and in light of the restrictions on public gatherings due to Coronavirus, we now plan to run the CIPD Reward and Benefits Conference as an online event on 5 May 2020.

### *Reward and Benefits Conference - CIPD Events*

Reward is about designing and implementing strategies that ensure workers are rewarded in line with the organisational context and culture, relative to the external market environment. It requires specific knowledge in a range of specialist areas to be able to create and shape total reward packages.
