I have used the E&Y Tax Guide for a number of years and have been very pleased with the detail in the Guide. The 2013 Tax Guide used for preparing the 2012 return lacks some of the final tax rules due to the delay in Congress in establishing th final rules. One such rule is the estate plan exemption amounts. The advantage in using TurboTax is that it is updated as you prepare your return for 2012.

The automotive industry appears close to substantial change engendered by "self-driving" technologies. This technology offers the possibility of significant benefits to social welfare—saving lives; reducing crashes, congestion, fuel consumption, and pollution; increasing mobility for the disabled; and ultimately improving land use. This report is intended as a guide for state and federal policymakers on the many issues that this technology raises.

Seventeen in a series of annual reports comparing business regulation in 190 economies, Doing Business 2020 measures aspects of regulation affecting 10 areas of everyday business activity.
