Fike Cheetah Xi Panel Installation

The Cheetah® Xi intelligent fire suppression control system is the ideal choice for your next installation of fire alarm, clean agent fire suppression, carbon dioxide suppression, watermist and/or sprinkler/pre-action sprinkler systems. The Cheetah Xi is the only fire suppression panel to offer true peer-to-peer technology. That means every fire protection module and sensor can act as a peer, able to communicate directly with the detection control panel...and with each other.
