Master Content. Upgrade your Mind. Elevate your Score! * Includes Bonus TPNY Full Potential Handbook for test-day success. * 200+ detailed examples and valuable tips based on real GMAT questions. * Effective approaches for non-native speakers and different learning styles. * Fool-proof techniques for mastering each type of Sentence Correction question. * 30+ exercises for peak performance, drawn from sports psychology, mindfulness, and holistic health With this book, you'll learn the Sentence Correction concepts and the critical thinking skills required to succeed on the verbal portion of the GMAT. While other books help you only with the GMAT content, TPNY's Full Potential Handbook (included free) gives you the competitive edge: effective methods to access your optimum emotional and psychological state while you study and when you take the GMAT. This is the only book that creates the best-case scenario on test day: SC content mastery combined with the best mindset to answer test questions efficiently and correctly. Test Prep New York is the only test preparation company to fuse content and strategy-based learning with holistic stress reduction, memory improvement, and confidence building techniques. "The Full Potential section in this book is a welcome guide for those who want to go beyond just studying hard: it addresses all the psychological and emotional processes involved in test-taking. Students of Sapir's holistic approach have enjoyed success in New York City for years. Now others can learn about and incorporate the valuable techniques described in this clear and easy-to-read guide. The techniques are effective and time-tested. Sapir and van Hoek have produced a winning book for those whose scores are compromised by test anxiety, as well as those striving for peak performance." -- Tom Akiva, PhD, Assistant Professor University of Pittsburgh School of Education "Bara Sapir's/TPNY's progressive test preparation technique is good for test-takers who want an edge when taking the test, as well as test-takers who require extra assistance. The model is effective because it teaches mediation of cognitive, academic, attentional, and emotional control. This book contains the necessary ingredients to succeed on the GMAT--it skillfully teaches the essential components of test taking through a clever blend of aggressiveness, logic, and relaxation. After practicing the techniques herein, the trepidatious test taker can expect to enter testing arenas with a greater confidence to achieve that may have alluded them in the past." -- Dr. Jason Smith, School and Clinical Psychologist "Full Potential GMAT Sentence Correction Intensive is by far and away the most advanced study aid available for the sentence correction section of the GMAT. We highly recommend this guide to all test takers seeking the 700+ scores the top business schools like to see." -- David Petersam, President, AdmissionsConsultant
