...

If your H2O MOP X5™ begins to produce steam more slowly than usual or stops producing steam you may need to remove lime scale. Lime scale can develop over time on the metal parts and greatly affect mop performance. It is necessary to remove lime scale on a regular basis, every 25 - 50 times you use a full tank of water or at least once a month, especially in areas with hard water. The ...

Core Curriculum for Surgical Technology, published by the Association of Surgical Technologists. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

This practical, handy text aims to provide essential information on the fundamentals of infection control and its management in a health care setting. This important subject area means that this text should be essential reading for all students, nurses and health care practitioners to ensure they understand the general principles of infection control and best practice guidelines for clinical care of patients. Content is designed to be clear, concise and highly practical. Case studies will be included to aid understanding. Each chapter includes a summary or bullet of key points. This book also outlines the role of the medical consultant, consultant nurse / specialist infection control nurse, hospital matron, ward link nurse, ward sister, staff nurse, trust management etcetera to give a strategic overview of the management and organisation needed in terms of roles, responsibilities etc in relation to infection control.
