Book 1 of His Purrfect Pet Series by Jasmine Starr. He found her in the alleys of the city, cold, starved and close to death; had he always intended for the outcome? Or was it just a matter of circumstance for both? She was young and starved for affection, his kindness with that touch of masterfulness touched something locked deep inside her and she stepped willingly into the role of her master ' s pet.

~~Pet – Author Jordan Silver~~

Training His Pet Pet has committed a terrible faux pas, one that her Master cannot let go unpunished, her carefree days are over as master tightens the reins. His beloved pet has never really felt the bite of the whip, has never felt his displeasure; but now to preserve their life together he must show his kitten just what it means to be her Master's pet.

A master pet BDSM story of one man's love and lust for the young girl he finds lost and battered in a city alley. What begins as a rescue mission fast becomes the fulfillment of two people's secret yearnings. One to own and the other to be possessed.

Juno and her boy live in a red house at the top of the world. One day Juno will be big and strong enough to help pull a sled across the tundra, but for now she is just a small puppy with a big-dog heart. Small puppies have to go to bed when their boys do, but Juno can ' t sleep with the midnight sun shining out across the town. She slips outside to play. Returning to see a hungry polar bear sniffing around the open door, Juno has no time to be afraid. It ' s time to summon the big dog inside her and save her beloved boy. With Deborah Kerbel ' s warm, expressive text, Sun Dog is a love letter to life in the Arctic Circle from the perspective of a sled dog pup. Suzanne Del Rizzo ' s dimensional art in polymer clay and acrylic wash offers both an intimate romp with a young puppy and a sweeping celebration of the vast and beautiful tundra.

Young readers can see the sights of various cities with Max, a loveable puppy, in this series of children's books that emphasize learning with simple shapes and vibrant colors. Readers will follow Max on his busy day of sightseeing with stops at historic landmarks and lesser-known locations found in each city. A young dog leads children on a tour through the Windy City Created in partnership with the Chicago Children's Museum, this book travels to Chicago and includes a beautiful spread of the museum itself as well as the city's most identifiable objects and sights.

Drawn from the deeply personal reflections of a formerly depressed person, this uplifting story shows how a cat taught meditation and allowed the mind to heal. This lively, magical, and enlightening book revolves around a wise Maine Coon cat, his kitten muse, and the author Kat Tansey as they take the reader on a challenging and often amusing journey from the disorienting haze of depression to the freedom and clarity of the Buddha mind. The narrative is both inspiring and essential for gaining an understanding of the inner self, reducing stress, finding inner peace, and knowing the joys and comforts of answering to a cat master.

The author of the syndicated pet column "Wild Things" presents a collection of true-life stories about cats who bring home mice to feed nursing babies, meow sadly when the kids go to school, and keep their owners company through their later years. Reprint.

Max the dog and his friend Tori, after volunteering to test out the latest time machine, are sent back to visit the Ice Age where they marvel at the ice and snowflakes and have a scary encounter with a saber-toothed tiger.

Some of the world's top experts, including devoted veterinarians, open a window into the minds of our feline freinds. Cats have become so beloved in recent years that some 75 million live in American homes as family pets. Another quarter million are community cats, increasingly serving us in barns, breweries, warehouses and more to keep rodents and other unwanted wildlife under control. Yet the cat has often seemed mysterious—compared to dogs, our cats can feel bit more aloof and difficult to truly " get. " But new research into our feline friends now reveals their love for us, their secret language, including accents and dialects, and their inner depths. In a series of engaging stories featuring the world ' s top experts, veterinarians and pet-owners themselves, this premium book opens a window into the minds of our feline friends. Among the features: How to raise a kitten to become a great cat; how to understand your cat's purrs, meows and body language; how to teach your cat tricks; and how to rescue a stranded cat and make it your own. A bonus feature covers favorite breeds and the advantages each confers.

In this romantic comedy by the author of Maybe Baby, a woman must redeem herself if she hopes to get out of the doghouse. When Lisa Blake ' s life in London falls apart, she returns to her hometown rebranding herself as " the purrfect pet sitter " —which may or may not be false advertising as she has a rather unfortunate habit of (temporarily) losing dogs! But being back where she grew up, Lisa can ' t escape her past. There ' s her estranged best friend Flick who she bumps into in an embarrassing encounter in a local supermarket. And her first love, Nathan Baker, who, considering their history, is sure to be even more surprised by her drunken Facebook friend request than Lisa is. As she becomes involved in the lives of her old friends, Lisa must confront the hurt she has caused, discover the truth about her mysterious leather-clad admirer, and learn how to move forward when the things she wants most are affected by the decisions of her past. Praise for The Purrfect Pet Sitter " All I can say is that this ticked every single box. " —Jo Lambert, author of Summer Moved On

Shannon is a quarter puma but can't shift. She's just a human with a few extra genes. But she knows how dangerous shifters are, and now she's their prey, captured by a group of werewolves for a deadly hunt. Anton's body responds fervently to Shannon, and he vows to protect her with his lifeNonly to discover she's the enemy. But it's mating heat, and he's about to lose all control to that driving sexual need.

She is unacquainted with Dominance and submission. He's an experienced master. Meeting at a lifestyle'munch', the two begin a D/s relationship that is strange to her at first, and yet the submissive role fits her like a glove. When their kinky sex soon turns to talk of puppy' play, both suddenly explode with desire. As the pair tap into complementary needs that are powerful in them both, their relationship takes off in a new direction. He'll call her pup'. She'll know him only as E., her master. With the intention of turning her into an obedient little puppy, E starts pup on a meticulous training regimen. She's fitted with a puppy-mask, a tail, and various other accessories, then she's taught how to eat, drink, fetch just like her canine counterparts. Any disobedience is quickly reprimanded. In addition to her regular duties, pup is trained to for her sexual role. Soon, pleasuring her master becomes her sole pursuit and one she dearly loves. However, when E. takes her to a club where they mingle with other human pets and their owners, pup's life takes another unexpected turn. She frolics with boy-puppies, is exhibited to strangers, and is given away to other party guests. Though embarrassed to be exposed in public, pup dutifully follows her master's orders. In time, she becomes the center of attention at a large party of kinky players. Her obedience to E. is unquestioned. But when she has a run-in with a pair of unpleasant guests, it's a signal of another shift in her evolving puppy life. With her training now complete, E announces that she'll have a new role with a new master for the next six months, and so her puppy adventures will continue. Puppy play becomes a real time lifestyle for these kinky bdsm players, and a fascinating reading for fans of this unique fetish.
