An essential masterwork from Chinese literary giant Lu Yao--winner of the Mao Dun Literature Prize--available for the first time in English. Lu Yao published only two novels before his untimely death--but their extraordinary influence catapulted the author

to the top tier of Chinese contemporary fiction, establishing him as one of the most widely read and respected figures in Chinese literature. In this first-ever translation of Lu Yao's *Life*, we meet Gao Jialin, a stubborn, idealistic, and ambitious young man from a small country village whose life is upended when corrupt local politics cost him his beloved job as a schoolteacher, prompting him to reject rural life and try to make it in the big city. Against the vivid, gritty backdrop of 1980s China, Lu Yao traces the proud and passionate Gao Jialin's difficult path to professional, romantic, and personal fulfillment--or at least hard-won acceptance. With the emotional acuity and narrative mastery that secured his reputation as one of China's great novelists, Lu Yao paints a vivid, emotional, and unsparing portrait of contemporary Chinese life, seen through the eyes of a working-class man who refuses to be broken.

Ask Dr. Mueller captures the glamour and grittiness of Cookie Mueller's life and times. Here are previously unpublished stories - wacky as they are enlightening - along with favorites from *Walking Through Clear Water in a Pool Painted Black* and other publications. Also the best of Cookie's art columns from *Details* magazine, and the funniest of her advice columns from the *East Village Eye*, on everything from homeopathic medicine to how to cut your cocaine with a

healthy substance. This collection is as much an autobiography as it is a map of downtown New York in the early '80s - that moment before *Bright Lights*, *Big City*, before the art world exploded, before New York changed into a yuppie metropolis, while it still had a glimmer of bohemian life.

Meynell has chosen various topics and with skilful portrayal she imparts a new perspective to all of them. The charming little events, the course of development and other stages of infancy and upbringing are discussed in this collection of essays.

In 1559 England, Meg, an orphaned thief, is pressed into service and trained as a member of the Maids of Honor, Queen Elizabeth I's secret all-female guard, but her loyalty is tested when she falls in love with a Spanish courtier who may be a threat.

The Italian Game (sometimes referred to as the Giuoco Piano) is one of the oldest openings around, and also one of the first lines a player learns when he or she is introduced to chess. It leads to play that is easy to understand: both sides develop their pieces logically and begin attacks on the opposing kings. The Italian Game gives both White and Black the opportunity to play either aggressively and in gambit fashion, or in a restrained and positional manner. One of White's most exciting and attacking options

is the legendary Evans Gambit, which has been brought back into the limelight in this modern era by such uncompromising players as World number one Garry Kasparov, Alexander Morozevich and England's Nigel Short. In this book, openings expert Jan Pinski investigates the different strategies and tactics in the Italian Game and Evans Gambit. Using model games for both White and Black, Pinski provides crucial coverage of both the main lines and offbeat variations. This book arms the reader with enough knowledge to play the Italian Game and Evans Gambit with confidence. * Written by well known opening theoretician * A useful guide for club and tournament players alike * All main lines are covered
