Nobody Came: The appalling true story of brothers cruelly ...

Nobody Came is a heart wrenching true story about three brothers whose childhoods have ended before they could even begin. As I read the book, I felt as if I was given painful electric shocks whose voltage heightened every time I turned a page. The abuses described within were by far the most shocking experiences I had ever read about.

Julius Caesar is a key link between Shakespeare's histories and his tragedies. Unlike the Caesar drawn by Plutarch in a source text, Shakespeare's Caesar is surprisingly modern: vulnerable and imperfect, a powerful man who does not always know himself. The open-ended structure of the play insists that revealing events will continue after the play ends, making the significance of the history we ...

'Nobody Came' is a harrowing account by one of the survivors of the Haut de la Garenne children's home in Jersey.

You only get one chance to live your life as a child, but Lily was never given that chance; her childhood was taken from her before it ever begun. From the age of four, when she was first sexually abused, her life changed forever; when she walked through the institution ' s doors in Ireland, her life continued along the same path that has destroyed her soul. Her emotional pain is as strong today as it was the day it began and will never leave her alone. " When I go to sleep it ' s in my head and when I wake up I can see it in the mirror and I am only waiting to die. " A child abuse story that will stay with you forever and one that you will talk about for many years to come, The Girl Nobody Wants is a harrowing true story that will appeal to fans of biographies and fans of Jodi Picoult. It has been compared to Dave Pelzer ' s A Child Called It, Damaged by Cathy Glass and The Kid by Kevin Lewis.

An internationally respected advocate in the fight for justice for victims of child sexual abuse tells her story of survival in the midst of beatings, daily rape, and sexual slavery and details her efforts to secure imprisonment for those responsible for the abuse she suffered.

The Sunday Times top ten bestseller... You're not going home. You're not going anywhere. You're mine now. Growing up in a deeply troubled family, 15-year-old Anna felt lost and alone in the world. So when a friendly taxi driver befriended her, Anna welcomed the attention, and agreed to go home with him to meet his family. She wouldn't escape for over a decade. Held captive by a sadistic paedophile, Anna was subjected to despicable levels of sexual abuse and torture. The unrelenting violence and degradation resulted in numerous miscarriages, and the birth of four babies... each one stolen away from Anna at birth. Her salvation arrived thirteen years too late, but despite her shattered mind and body, Anna finally managed to flee. This is her harrowing, yet uplifting, true story of survival.

A true story of child abuse and a comprehensive guide to what you can do to stop it.

You've read the Jeffrey Epstein headlines, now get the full story. The world's bestselling author, James Patterson, has written the definitive book on the billionaire pedophile at the center of the newly unsealed federal sex crimes case. Jeffrey Epstein rose from humble origins into the New York City and Palm Beach elite. A college dropout with an instinct for numbers -- and for people -- Epstein amassed his wealth through a combination of access and skill. But even after he had it all, Epstein wanted more. That unceasing desire -- and especially a taste for underage girls --resulted in sexual-abuse charges, to which he pleaded guilty and received a shockingly lenient sentence. Included here are police interviews with girls who have alleged sexual abuse by Epstein, as well as details of the investigation against him.

For fourteen years, Jayne Senior tried to help girls from Rotherham who had been groomed, raped, tortured, pimped and threatened with violence by sex traffickers. As the manager of Risky Business, which was set up to work with vulnerable teens, she heard heartbreaking and shocking stories of abuse and assiduously kept notes and details of the perpetrators, passing information on to the authorities in the belief that they would do something. Eventually, when she lost hope that the authorities would take action against the gangs she had identified as the abusers, she became a whistleblower for The Times investigative reporter Andrew Norfolk. Now, in her powerful memoir Broken and Betrayed, she describes a life spent working to protect Rotherham's girls, the pressure put on her to stop rocking the boat, and why she risked prison in the hope that she could help end the appalling child exploitation in the town.

Misty Griffin's story Surviving child abuse, parental betrayal, sexual assault, and Amish cruelty A true crime memoir: When Misty was six years old her family started to live and dress like the Amish. Misty and her sister were kept as slaves on a mountain ranch where they were subjected to almost complete isolation, sexual abuse and extreme physical violence. Their step-father kept a loaded rifle by the door at all times to make sure the young girls were too terrified to try to escape. They also knew that no rescue would ever come because only a couple of people even knew they existed and did not know them well enough to care. Amish Sexual abuse: When Misty reached her teens, her parents feared she and her sister would escape and took them to an Amish community where they were adopted and became baptized members. Misty was devastated to once again find herself in a world of fear, animal cruelty and sexual abuse. Going to the police was severely frowned upon. A few years later, Misty was sexually assaulted by the bishop. As Misty recalls, "Amish sexual abusers are only shunned by the church for six weeks, a punishment that never seems to work. After I was assaulted by the bishop I knew I had to get help and one freezing morning in early March I made a dash for a tiny police station in rural Minnesota. After reporting the bishop I left the Amish and found myself plummeted into the strange modern world with only a second-grade education and no ID or social security card. To all abuse survivors out there, please be encouraged, the cycle of abuse can be broken. Today, I am a nursing student working towards my master's degree and a child abuse awareness activist. This is my story." If you have read Scared Selfless, A Child Called It, The Sound of Gravel, or Etched In Sand, then Tears of the Silenced is a must read.

"A narrative about a notorious killing that took place in Northern Ireland during The Troubles and its devastating repercussions to this day"--

It had been years since I had seen any of the children with whom I had grown up. When I left the children's home, I promised myself that I would have nothing to do with them, I was sure that my only chance of living a good life would be to put the past behind me, even though that meant saying goodbye to some of the people I loved the most - as well as the ones I hated...it turned out that six of us had died, several by slow suicide in the form of heroin abuse, and at least two by faster means. When two police officers arrived out of the blue at Paul Connolly's door, he learned the shocking news that, out of the eight children with whom he shared a dormitory in care, only two were still alive. The revelation unearthed painful memories of a childhood that, until this point, Paul had tried desperately to put behind him. Abandoned at two weeks old, Paul came of age in the infamous St Leonards's Children's Home in East London. The children there were routinely abused, often over the course of many years. All were underfed and unloved and told that they would amount to nothing. Angry and frustrated, Paul channelled his rage into boxing - but when an accident shattered his ambition to turn professional, he found his true calling and became a successful trainer, even working as a consultant on the pilot of a top model's fitness video. Paul has finally found peace and fulfilment beyond anything he could have imagined all those years ago. He has found happiness with his wife and children and now helps to heal broken bodies, build confidence and transform lives - but he will never forget his past and the unnecessary victims of broken society...
