## Oracle Night

Whether Sidney Orr is, at least partially, Paul Auster is open to question, not least as there is a character called John Trause, Trause, of course, being an anagram of Auster.

Nevertheless Orr is a writer, who

# Online Library Oracle Night

likes exploring  
New York and, at  
least during the  
course of this  
novel, is a not  
very successful  
writer.
