“Tales from the Sky Kitchen Cafe,” a book of aviation-based stories, tells of friendship, fraternity, and the fulfillment of dreams. The stories originate from a small airport diner called the Sky Kitchen Cafe, where local pilots congregate daily to exchange friendship and conversation. Laura Draper is having the worst day of her life. Before she knows what's happening, her career as a magazine editor, her relationship with a well-known photojournalist, and her sanity are all unraveling. She finds herself marooned at a crossroads in nowhere Texas wondering which way to turn when two very strange, elderly ladies convince Laura to come inside their little café. There, Mermalene and Hasselene serve up their special coffee, homemade buttermilk pie, and one delectable, home-grown cowboy. When you're living an hour from the nearest Wal Mart, and even further from the nearest mall, you learn to appreciate the simple things our parents and grandparents treasured. In this part of the world, life moves with a quiet simplicity, and every town is centered around the local café. | Lisa Wingate, writing about the inspiration for her Texas trilogy.

A new translation of Georges Simenon's gripping novel set in an insular fishing community, book eight in the new Penguin Maigret series. It was indeed a photograph, a picture of a woman. But the face was completely hidden, scribbled all over in red ink. Someone had tried to obliterate the head, someone very angry. The pen had bitten into the paper. There were so many criss-crossed lines that not a single square millimetre had been left visible. On the other hand, below the head, the torso had not been touched. A pair of large breasts. A light-coloured silk dress, very light and very low cut. Sailors don't talk much to other men, especially not to policemen. But after Captain Fallut's body is found floating near his trawler, they all mention the Evil Eye when they speak of the Ocean's voyage. Penguin is publishing the entire series of Maigret novels in new translations. This novel has been published in a previous translation as The Sailors' Rendezvous. 'Compelling, remorseless, brilliant' John Gray 'One of the greatest writers of the twentieth century . . . Simenon was unequalled at making us look inside, though the ability was masked by his brilliance at absorbing us obsessively in his stories' Guardian 'A supreme writer . . . unforgettable vividness' Independent

From the RITA Awardwinning author of Five Days in Skye comes a sweet, romantic treat that will leave you hungry for more. Baker and pastry chef Melody Johansson has always believed in finding the positive in every situation, but seven years after she moved to Denver, she can't deny that she's stuck in a rut. One relationship after another has ended in disaster, and her classical French training is being wasted on her night job in a mediocre chain bakery. Then the charming and handsome private pilot Justin Keller lands on the doorstep of her workplace in a snowstorm, and Melody feels like it's a sign that her luck is finally turning around. Justin is intrigued by the lively bohemian baker, but the last thing he's looking for is a relationship. His own romantic failures have proven that the demands of his job are incompatible with meaningful connections, and he's already pledged his life savings to a new business venture across the country:an island air charter in Florida with his sister and brother-in-law. Against their better judgment, Melody and Justin find themselves drawn together by their unconventional career choices and shared love of adventure. But when an unexpected windfall provides Melody with the chance to open her dream bakery-café in Denver with her best friend, chef Rachel Bishop, she's faced with an impossible choice: stay and put down roots with the people and place she's come to call home . . . or give it all up for the man she loves.

Celebrating the universal language-food! Based on the 2010 and 2011 presentations of Meanwhile, Back at Cali! Du Monde . . . , these 67 foodie monologues invoke your own special comfort-foods, recalling tasty memories of life, love, family, and friends to warm your heart, feed your soul, and make you pause to savor the sweetness of life! Stephen King's unforgettable novella/first included in his 1990, award-winning collection Four Past Midnight and made into a highly acclaimed miniseries/about a terrifying plane ride into a most unfriendly sky. On a cross-country, redeye flight from Los Angeles to Boston, ten passengers awaken in Bangor, Maine, to find that the crew and most of their fellow passengers have disappeared. The airport shows no signs of life. Yet they hear (radio static) in the distance. Craig Toomey, an irritable investment banker on the verge of a breakdown, believes it is |The Langoliers,| monsters he was afraid of as a child who attack those who waste time. |is mystery author Bob Jenkins who first theorizes that they have flown through a time rip. Bob declares they have entered a place that forbids time travelers to observe or interfere with past events. It turns out that Craig is right, in a way. Two creatures, followed by hundreds more, emerge from the forest and head for the plane, consuming everything in their path. Can the survivors manage to fly the plane back to Los Angeles, back to the correct time, before The Langoliers succeed in their deadly mission to destroy the plane and the world? Dinah Bellman, the young blind girl whose aunt did not survive the time rip, has the greatest insight of all. A spine-tingling, propulsive novella, The Langoliers is a brilliant read from the masterful Stephen King.

From Robert James Waller comes a wonderful collection of 19 essays--all of them as romantic, reflective, and timeless as readers have come to expect from the author of The Bridges of Madison County--a celebration of life and loss, of what things still can be.

War erupts in Paris. Two terrorist factions battle for control. Thousands of civilians trapped in the middle. Two brothers in faith and cause wrestle for control of underground forces that will soon fight the French for Algerian independence. The battlefield is the cafes and hotels of Paris where hidden bombs are delivered by three beautiful sirens. Thousands of civilians are murdered along with their intended targets. Brigitte Friang, a beautiful and determined journalist, searches for the truth behind the bombings and uncovers a conspiracy that shakes her to the core. How far will French leaders go to find the terrorists and stop the bombings? Tom Coyle, an American pilot flying for the French Army, struggles to protect Brigitte as she becomes a target. But whom is behind her assassination attempt? Whom can they trust? Café Wars is a reflection of today's headlines. A historical thriller based on true events - the 1954's terrorist attacks in Paris. Get it now.

The beloved #1 New York Times bestseller, a "fiendishly plotted" (New York Times) "heart-in-your mouth adventure" (Washington Post) that "will take wing and soar into your heart" (Laurie Halse Anderson), October 11th, 1943--A British spy plane crashes in Nazi-occupied France. Its pilot and passenger are best friends. One of the girls has a chance at survival. The other has lost the game before it's barely begun. When "Verity" is arrested by the Gestapo, she's sure she doesn't stand a chance. As a secret agent captured in enemy territory, she's living a spy's worst nightmare. Her Nazi interrogators give her a simple choice: reveal her mission or face a grisly execution. As she intricately weaves her confession, Verity uncovers her past, how she became friends with the pilot Maddie, and why she left Maddie in the wrecked fuselage of their plane. On each new scrap of paper, Verity battles for her life, confronting her views on courage, failure and her desperate hope to make it home. But will trading her secrets be enough to save her from the enemy? A universally acclaimed Michael L. Printz Award Honor book, Code Name Verity is a visceral read of danger, resolve, and survival that shows just how far true friends will go to save each other.
