A fresh and innovative route to business and personal success - POLAR BEAR PIRATES contains a whole new universe of characters and terminology that everyone will instantly recognize and relate to. Polar Bear Pirates, highly focused, successful, fun-loving people who truly believe in life before death, are on a quest to reach Fat City. But as we follow the fortunes of these highly motivated bears, we see how they must fight off some pretty ruthless and often highly elusive enemies who are determined to block their paths and shatter their dreams...Here's a brief sketch of just some of these treacherous characters...Sinkers...the bitter losers who, as disciples of the pear shape, despise anyone else's success and derive immense pleasure from torpedoing it...Head treads...those who block anyone coming up the success ladder; they are devoid of talent, having only got where they are through brown nosing, knife throwing and luck!Neg ferrets...the pessimistic warriors of doom with insatiable appetites for other people's problems...Molasses Man.. the sweet but slow, well-meaning people who are burdened by the beliefs of others...Bloaters...boasting, lazy, obnoxious and tediously egotistical reptilian saddos who are absolutely full of it!Written in the tradition of the bestselling, WHO MOVED MY CHEESE, POLAR BEAR PIRATES is a uniquely entertaining and often hilarious look at business and personal development. A 'game book' of questions, answers, traps and signposts, this book delivers powerful, inspirational messages as it helps you to unravel a series of complex motivational issues on your journey to personal and professional success.

Conquer complacency and transform your team into a happy, winning crew. Polar Bear Pirates are highly focused, successful characters, they can't help but motivate everyone around them and just like you; they love to have some fun. In their latest quest, they take on the Sleepwalkers, the workplace zombies who are with you in body but never take a step beyond the ordinary because their minds have drifted into sleep mode. Going through the motions, thinking the same old stuff and delivering the same results, they stand out like beacons of disappointment. Sleepwalkers can be found orbiting Planet Complacency. This place is in the arch enemy of success! It is a huge planet, more powerful than the inhospitable Rock Bottom, it appears to be a comfortable, safe and popular place to be. Yet this silent assassin is responsible for snuffing out millions of dreams and kidnapping untold potential. Stepping Beyond Ordinary The Polar Bear Pirates' mission is to re-awaken dormant talent and release untapped potential. Join them and meet a cast of amazing characters, from Neg Ferrets and Bloaters, to Amps and Vamps. One thing's for sure, you'll come out the other side inspired and ready to get the best out of your team and the people around you. Polar Bear Pirates shows you how to motivate everyday people to deliver extraordinary results.

When Albie and his mum go to the museum, Albie has no idea what is in store for him. He knows that museums are fusty and dusty and full of smelly things, but what he doesn't expect are igloos, wolves and a real life polar bear... Join Albie on a brand new adventure in this brilliant book by the bestselling author and illustrator pairing Caryl Hart and Ed Eaves! Going to the museum has never been so much fun! 'Hart is a rising picture book star.' The Bookseller Praise for How to Grow a Dinosaur: 'A pre-school crowd pleaser with a dinosaur battle to boot.' The Bookseller 'Full of fun and packed with bold colourful pictures, this action-packed story will really appeal to children and is a great way to extend their imaginations.' Parents in Touch

Sure, being a grown-up is fun, but it's also hard—that's the part no one tells you. So, the author of *twentysomething*, along with her husband, a longtime youth minister, have put together a manual for life on your own. Whether you're leaving the nest for the first time or moving back into your old room they give you tips on how to manage pesky roommates (moms and dads included). Wondering how to manage that bank account or deal with a bear of a boss? They've got the 411. Trying to impress a date with your cooking? Or just trying to find someone to date? They've got help for you too! For recent and seasoned grads alike, this book is a perfect jump-start to a well balanced, FUN adulthood.

Albie is a normal little boy who has extraordinary adventures. When he helps his mum in the garden by planting some seeds, he can't quite believe his eyes the next morning. The garden has grown beyond all belief and these are not just any old plants - oh, no - Albie's seeds have grown into great big jurassic jungle! He rushes outside to discover what else has grown - a fantastic mix of real live DINOSAURS! A colourful, funny follow-up to Supermarket Zoo.

For thousands of years, pirates have terrorized the ocean voyager and the coastal inhabitant, plundered ship and shore, and wrought havoc on the lives and livelihoods of rich and poor alike. Around these desperate men has grown a body of myths and legends—fascinating tales that today strongly influence our notions of pirates and piracy. Most of these myths derive from the pirates of the “Golden Age,” from roughly 1655 to 1725. This was the age of the Spanish Main, of Henry Morgan and Blackbeard, of Bartholomew Sharp and Bartholomew Roberts. The history of pirate myth is rich in action, at sea and ashore. However, the truth is far more interesting. In *The Golden Age of Piracy*, expert pirate historian Benerson Little debunks more than a dozen pirate myths that derive from this era—from the flying of the Jolly Roger to the burying of treasure, from walking the plank to the staging of epic sea battles—and shows that the truth is far more fascinating and disturbing than the romanticized legends. Among Little's revelations are that pirates of the Golden Age never made their captives walk the plank and that they, instead, were subject to horrendous torture, such as being burned or hung by their arms. Likewise, epic sea battles involving pirates were fairly rare because most prey surrendered immediately. The stories are real and are drawn heavily from primary sources. Complementing them are colorful images of flags, ships, and buccaneers based on eyewitness accounts. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Optimize your brainpower and performance with practical tools and skills The human brain is constantly rewiring its 160 billion cells, continually and imperceptibly changing the way we think. Because of that, we can fundamentally change the way our brains work—for the better. *Sort Your Brain Out* shows you how to re-wire your brain to be more creative, make better decisions, improve your mood and memory, manage stress, and stave off senility. You'll also discover how to: Get set up as a distributor Develop a comprehensive marketing plan Recruit, train, and motivate your network Maximize downline income Take your marketing and sales skills to a higher level Cope with taxes and regulations Avoid common pitfalls Packed with tips on overcoming common start-up hurdles as well as stories from more than fifty successful network marketers, *Network Marketing For Dummies* will show you how to approach this opportunity so that you can begin to build a successful and satisfying business of your own.

Describes the habitat, physical characteristics, and behavior of the polar bear.

From the New York Times bestselling author of *The Night Circus*, a timeless love story set in a secret underground world—a place of pirates, painters, lovers, liars, and ships that sail upon a starless sea. Zachary Ezra Rawlins is a graduate student in Vermont when he discovers a mysterious book hidden in the stacks. As he turns the pages, entranced by tales of lovelorn prisoners, key collectors, and nameless acolytes, he reads something strange: a story from his own childhood. Bewildered by this inexplicable book and desperate to make sense of how his own life came to be recorded, Zachary uncovers a series of clues—a bee, a key, and a sword—that lead him to a masquerade party in New York, to a secret club, and through a doorway to an ancient library hidden far below the surface of the earth. What Zachary finds in this curious place is more than just a buried home for books and their guardians—it is a place of lost cities and seas, lovers who pass notes under doors and across time, and of stories whispered by the dead. Zachary learns of those who have sacrificed much to protect this realm, relinquishing their sight and their tongues to preserve this archive, and also of those who are intent on its destruction. Together with Mirabel, a fierce, pink-haired protector of the place, and Dorian, a handsome, barefoot man with shifting alliances, Zachary travels the twisting tunnels, darkened stairwells, crowded ballrooms, and sweetly soaked shores of this magical world, discovering his purpose—in both the mysterious book and in his own life.
