Can i clear check engine light codes on my 2018 polaris

...

Today, the light came back on with the two codes listed in the title (65590 and 65592) which, after a bit of research, I found to be something with the spark plugs. Pulled them out and they look brand new. Blew out the chambers, plugs and boots and will ride it again tomorrow to test it before we head to Brimstone on Thursday.
