Prepare for success on your HESI exit exam and the NCLEX-PN®! The HESI Comprehensive Review for the NCLEX-PN® Examination, 4th Edition provides a complete, all-in-one review of the information you need to know. Written in an easy-to-read outline format, this study tool breaks down chapters by clinical areas and topics emphasized on the NCLEX-PN exam. Rationales are provided for incorrect answers and help you address any areas of weakness. The companion Evolve website offers 500 practice questions, giving you valuable practice in the same electronic testing format you will experience on your nursing school exit exam and on the NCLEX-PN exam. Detailed rationales explain correct and incorrect answer options for practice questions. HESI Hint boxes highlight important clinical information and concepts commonly tested on the NCLEX-PN exam. Pharmacology tables summarize the need-to-know drug therapy content emphasized on the NCLEX-PN exam. Critical thinking study questions reinforce key concepts and content, and also include answer guidelines. Chapters organized by clinical area make it easy to find and study review topics. The Evolve companion website includes 500 NCLEX practice questions, including alternate item formats, providing a testing experience similar to the nursing school exit exam and the NCLEX-PN licensure examination. Updated content reflects the latest NCLEX-PN® test plan. 130 NEW questions are added to the Evolve companion website, bringing the overall total to 500 test questions. NEW fill-in-the-blank and prioritizing questions familiarize you with the new alternate item format item types included on the NCLEX-PN exam. NEW Gerontology quiz prepares you for the exam's questions on this subject.

different aspects of nursing school, as well as give you a finite view of its duration and end result. Inspirational quotes throughout offer wisdom and encouragement from fellow nursing students and graduates. The appendix lists numerous diverse resources you'll find useful before, during, and after nursing school. Electronic Age Information covers distance learning, online courses, and podcasts, facilitating your success both in today's electronic classroom and with the advancing technology in nursing. A special NCLEX® chapter (Chapter 29: Are We There Yet? Almost.) provides you with the tools you need to prepare for and pass the NCLEX®. Updated statistics and information on the emerging trends of the workforce keep you current with what's happening in the world outside nursing and help you make educated choices during nursing school. Three chapters are devoted to diversity in today's workforce and the non-traditional student. Thorough coverage of ADN, BSN, and RN-BSN programs (program prerequisites, differences, and more) helps you make informed decisions about your choice of nursing programs. An appendix of Online Resources provides quick and easy access to web sites that will assist both students and graduates with continued study and real-world advice.

From acclaimed authors and certified pediatric nurse practitioners Virginia Millonig and Caryl Mobley, this Fourth Edition has been developed especially for Pediatric Nurse Practitioners and Family Nurse Practitioners preparing to take certification examinations and as a reference in the practice setting. The text is divided into systems with an indepth coverage of growth and development and health promotion and maintenance. The common disorders of the various body systems provide succinct summaries of definitions, etiology, signs and symptoms, clinical findings, differential diagnoses, diagnostic tests\findings, and managment\treatment. The final chapter addresses PNP role development, current trends and health policy issues including topics such as credentialing, legal issues, legislation, reimbursement and delivery systems. Following each chapter are test questions, which are intended to serve as an introduction to the testing arena. In addition a bibliography is included for those who need a more indepth discussion of the subject matter in each chpater.
