Today ` s academic environment presents assessment challenges defined by an increased volume of available information coupled with increased competition among students and time constraints. Multiple choice questions (MCQs) provide examiners with an opportunity to assess academic performance on the basis of instant recollection of correct answers in a minimal amount of time. MCQs Series for Life Sciences Volume 1 is a collection of MCQs on advanced topics and offers the following benefits for readers: Includes over 2600 relevant MCQs Covers five advanced subjects including biochemistry, cell biology, developmental biology, genetics & molecular biology and immunology. Simplified language and presentation of concepts Answers to each question are provided This MCQs eBook series in life sciences is, therefore, a handy reference for graduate and postgraduate students undertaking examinations or entrance tests as well as teachers or examiners involved in setting and controlling assessments in specific subjects in life sciences.
