spiral binding. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Activities in this book include drills, lessons, clarification techniques, and research strategies; each with a computer connection component.

This study had a research purpose and a pedagogical purpose. Research disclosed the dynamic, changing nature of (learner-internal and learner-external) variables that influence strategic competence for developing EFL/ESL writers. This competence was found necessary for international graduate students to move from writer-centered learning to reader-centered communication. The research instruments proved to be practical tools for guiding learners' processes of learning and writing a scholarly paper or article and avoiding plagiarism. The implication for teachers and program administrators is a systematic approach for developing self-regulation (control) in EFL/ESL writing. The first part of the book reports on the mixed methods (quantitative and qualitative) research. The second part gives an in-depth report of the 6 cases used in the research. The third part presents tools for systematically developing self-regulation in scholarly (and academic) writing with (a) student and teacher checklists for formative assessment that are valid and reliable; and (b) a model syllabus for teachers that can be adapted across disciplines and genres. These tools deal with learning strategies and their applications to writing and writing instruction.

TECHNIQUES FOR COLLEGE WRITING: THE THESIS STATEMENT AND BEYOND is a brief rhetoric that empowers students as writers by giving them the tools they need to create a precise and well-focused thesis. Using the thesis statement as the lens through which students can approach the entire thinking and writing process, TECHNIQUES is divided into three parts that build upon one another: Part I--Thinking Through the Thesis Statement, Part II--Thinking Through Your Writing Assignment, and Part III--Writing Beyond the Composition Classroom. A wide range of journal articles, book excerpts, student essays, paintings, magazine ads, poetry, and short stories make the text accessible to students, and Thinking Through a Reading questions promote active reading and in-class discussion. In-chapter practice exercises, writing applications, revision tools, and writing assignments help students gain confidence so that they can begin to incorporate the techniques they've learned in the book into their own personal writing styles Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This handbook is THE go-to-guide for every kind of writing. With practical advice on topics ranging from writing effective essays, paragraphs, and sentences to documenting sources and writing in a digital environment, THE CONCISE WADSWORTH HANDBOOK, Fourth Edition, is an essential tool. The handbook's numerous features--including checklists, Close-up boxes, Grammar Checker boxes, and marginal cross-references--are valuable navigational tools that will help you understand and apply important concepts to your writing. And, numerous exercises throughout the text allow you to practice at each stage of the writing, revising, and editing processes. Available with InfoTrac Student Collections <http://goengage.com/infotrac>. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

An interactive, multimedia text that introduces students to reading and writing at the college level.

Provides techniques, lessons plans, and ready-to-use assignments to help integrate the traits of good writing into all areas of the curriculum.
