A Textbook of Machine Design by R.S.KHURMI AND J.K.GUPTA ...

About Machine Design by RS Khurmi. The person who designs the solution for different engineering problems has to go through the various stages of the design process to arrive at an optimal solution. "A Textbook of Machine Design" studies these design aspects with relevance to machines. It begins with an introduction to the machine design process and engineering materials (with their properties) and goes on to discuss major topics such as manufacturing considerations in machine design ...
