Manila Amendments

STCW Manila Amendments On June 25th, the International Maritime Organization (IMO) and other major stakeholders in the global shipping and manning industry formally ratified the so-called "Manila Amendments" to the current Convention on Standards of Training, Certification and Watchkeeping for Seafarers (STCW) and its associated Code.

STCW 2010 | standard-shipping

The 2010-amended STCW Convention came into force on 1 January 2012. However, there is a five year transitional period, until 1 January 2017, to allow for a phased in implementation of the provisions. After January 2017, all seafarers are required to meet STCW 2010 standards. The three important dates to remember are:

A GUIDE FOR SEAFARERS

Dating originally to 1978, STCW has been amended and expanded several times, most recently with the Manila Amendments adopted in 2010, which aimed to keep training standards aligned with new technological and operational demands. Those amendments came into full effect at the beginning of 2012 and were implemented gradually through 2017.

Speed of technological change overtaking scope of STCW ...

The 2010 Manila amendments was intended to include all agreed changes since 1995, address new technology, inconsistencies, interpretations and outdated provisions. There was particular emphasis on improving control and communication provisions of certification in Chapter 1 and addressing the specific requirements of offshore and short sea shipping.

STCW - ITF Seafarers

The 2010 Manila Amendments to STCW entered into force in 2012, with different requirements being phased-in at various dates before 1 January 2017. The provisions being phased-in by maritime administrations include new and updated seafarer competences, as well as changes to some seafarer grades and certification requirements.

STCW 2010 Employers Need to Be Ready, says ICS ...

The amendments come into place in 2012. The part I am interested in is the revalidation after 5 years. "All seafarers are now required to provide evidence of appropriate levels of competence in basic safety training (including survival, fire-fighting, first aid, and personal safety) every five...
