The Cartoon Guide to Calculus (Cartoon Guide Series) There was a problem filtering reviews right now. Please try again later. This book was actually recommended to me by a college professor, as an "alternative" supplement for a Calculus class. Comparing this to a legitimate textbook and to a "Dummies" book, I'd say this cartoon guide is OK as an interesting way to review Calculus topics at a basic level and from a different perspective—assuming you already have learned or are ...
