The Happiness Project: Or, Why I Spent a Year Trying to ...

Why Project Happiness? The World Health Organization has named depression as the greatest cause of suffering worldwide. In the U.S., 1 out of 5 deals with depression or anxiety. For youth, that number increases to 1 in 3. The good news is that 40% of our happiness can be influenced by intentional thoughts and actions, leading to life changing habits. It's this 40% that Project Happiness ...

Project Happiness

The Happiness project aims to teach this important lesson so that you can start being happy now rather than thinking that true happiness is locked in that special moment of success or achievement. Action step: Instead of waiting to get something and thinking that fulfilling that goal will lead you to be happy, change your perspective to an understanding that happiness is a mindset and work to ...
