If one hears one thing from every single writing instructor it's, "Show, don't tell." "Don't tell us he's afraid of losing her, show us!" "Don't tell us it's a richly decorated room, show us!" "Don't tell us the Russian tundra is cold,

explains how to entertain your readers instead of lecturing to them. Written in Noble's absorbing voice, Show Don't Tell illustrates how to develop a dramatic framework using similes and metaphors, a focused point of view, steady pacing, increasing
