This Time It's Personal is the second studio album by American contemporary R&B group Somethin' for the People, released September 23, 1997 via Warner Bros. Records. Co-produced and primarily written by the group, it was their first album to chart on the Billboard 200, peaking at #154. The album also reached #33 on the Billboard R&B chart.. Three singles were released from the album: "My Love ...

This Time It's Personal - Wikipedia

On a very personal level, I have fond memories of spending a lot of time in the Library of Congress working on my collection of poems 'Native Guard.' I was there over a summer doing research in the archives and then writing in the reading room at the Jefferson building.

Violent crime suddenly becomes personal for New York private investigator, Nathan Marley. A relative of Stella Delgado, Marley's assistant, is arrested for a brutal murder, and unidentified bodies are washed up on a beach. Marley's search for the truth takes him to the Russian American community where he finds a wall of silence. Behind the wall, there is trade in illegal immigration and a lot of dirty money.

Feeling the strain of lost business thanks to the vicious articles by The Wheaton City Brigade, the city's most inflammatory newspaper, private investigator Tyler Beckett accepts a cold case from Lt. Danny Baxter to fill the gap. He's less than happy, however, when he learns the case may involve the same man who made him the target for The Brigade to begin with: Jamie Carroway. Then a new article uncovers an incriminating piece of Tyler's past, and the level of information revealed proves someone close to him is sharing details no stranger could know. And the verbal attack is only the first. Realizing it isn't just the paper's lead journalist intent on destroying his life, Tyler is forced to hunt for suspects close to home who have motive to ruin everything. But with no leads and no sure course of action, he soon finds himself faced with the need to protect his business and his fiancé, Sean St. Claire, and the very real danger of losing them both in the unavoidable fallout.

A modern integral astrology, which is found by the author, a contemporary Czech astrologer Ján Kaleta. Aquarian Astrology works with the basic structure of human being, which is defined by the esotericists, and proven by the experience of many researchers of human consciousness. Aquarian Astrology expresses the searching so called 'intention of soul' which is related to the present incarnation. Aquarian Astrology turns the attention of the adept on the long periodal influences of great cycles, especially the Precession Cycle of the Earth Axis. It is noticing the individual and transpersonal human experiences but also gives heed to the threshold of the sociocultural and individual experience with regard to rising number of people, who reach it. The author is confirming the empiric research by own astrological praxis through the last years. The work done is fruitful in understanding how the new astrology can work.

Now that Connor Cohen is dead, Silas Cohen is free to live the life he wants. But there are still two men in the way. When Enzo Juarez tries to make a new deal with Fiona, her good intentions get the best of her and she unexpectedly puts Silas in danger. Can Alex 's connections save them this time? All bets are off when it 's every man for themselves in this series ' finale.

Succinct narrative biographies of every serving head of state or head of government, covering some 200 countries and territories. Each country section contains a brief explanation of its type of government and the respective roles of the head of state, the head of government and the legislature; a listing of the most recent heads of state and head of government, with dates of office; biographical profiles of the current head of state and head of government, and other recent incumbents of these positions who remain significant and active political leaders; and a photographic section with pictures of many of the world's political leaders. Fully indexed by name, date of taking office, and source of authority.

Covers all 102 counties in Illinois.

Meet the twelve people that can accelerate your success – in business and in life It's Who You Know is the long-awaited handbook to effective, productive and influential networking. Having the right relationships is more important than ever before, but

digital connectivity and social media has changed the landscape. Social media has made networking easy, but has it made it better? In an age of digital disconnect, having the right relationships is more important than ever before with more and more of us reporting we feel disconnected from social media. Networking is no longer about collecting business cards and meeting thousands of people online or offline; it's about knowing the right people, and nurturing those relationships. You only need 12 – or even just four. Approached strategically, this comparatively small network will provide the strength, diversity and opportunities to help you achieve your personal and professional goals. This book shows you who you need to know, how to get to know them and how to make value a two-way street. Action plans, checklists and an online diagnostic tool help you start taking steps right away, and the emphasis on "doing" over endless planning gives you the motivation you need to get up and go. The old adage "It's not what you know; it's who you know" has never been more applicable than it is today. The problem is that many of us "know" thousands of people across social networks, but how many of those people truly know you and how many of them are truly connected to you? It's time to clear out the network clutter and identify those who actually add value to your professional and personal development. Master the art of real and influential strategic networking in a noisy and disconnected online world Learn who you need in your circle, and how to find them Nurture and maintain your professional relationships Leverage your power network to accelerate your career Today, jobs are filled before they're advertised and previously unthought-of collaborations appear out of nowhere. Networking has become a critical factor for success. It's Who You Know brings networking into the modern era, and shows you a strategic approach to making it work for you.
