Kevin confess his sin in the next three minutes or the vehicle he is manning will be blown to pieces. Thus starts a harrowing chain of events. After narrowly escaping his exploding car, Kevin continues to receive phone calls from Slater, each with another riddle, another consequence, and another three minutes to confess his sin. The problem is Kevin is unsure of what that sin might be. And Slater's cycle won't stop until he figures it out.

Thr3e is a proven, Biblical model of three "characters" that are needed for success in every area of life: The Leader, The Learner, and The Lifter. This mode of discipleship and mentorship is seen throughout scripture and in the life of almost every world leader that ever rose to power. It's an easy concept to grasp - yet one that many have failed to utilize by placing the

people in their lives into wrong categories of connection. In the book "Thr3e" you will be able to evaluate the relationships you have with others, as well as learning the people you should be seeking out to live your best life now. You'll discover the strategy God had used from the beginning of time, in Jesus' ministry and the early church to grow a team that changes the world. Living out this model of discipleship doesn't require a degree in theology or a Bible Study course - it is simply following God's example for leadership and discipleship by fulfilling your call in other's lives, and seeking out those who are called to fulfill a mandate in your life as well.

THR3E, a compilation of three very different stories all with two things in common, mystery and suspense. Each of these thrillers weave a wicked tale of murder, deceit and betrayal while shifting you in every direction at once. If you're a fan of suspenseful thrillers, you're going to love what happens at "Fingers Reach."

When the group finds out about a secret government agency known as the NCDC, he and his new friends take on

the daunting task of restoring the US to its former glory, and attempting to establish what 'One Nation Under God' really is. Following a cross-country journey that takes him from boy to man, Donovan must face himself and learn the skills that it takes to become a leader and to learn to value what is truly important in life. On the journey, the group rallies together like-minded young individuals as the NCDC makes power plays and the nation begins to slowly self-implode. The US is not the only nation at play, however, as alliances are made, lines are drawn, and treaties take place around the world making war inevitable. War Thr3e is a contemporary, action packed saga that follows the title character from riches to rags to becoming the leader of a third world war.
