One night can change everything. Abby Banks put her healthy, happy infant son to sleep, but when she awoke the next morning, she felt as though she was living a nightmare. Her son, Wyatt, was paralyzed. There was no fall, no accident, no warning. A rare autoimmune disease attacked his spinal cord, and there was no cure. In an instant, all her hopes and dreams for him were wiped away. The life she envisioned for her family was gone, and she was frozen by the fear of a future she never imagined. As she struggled to come to grips with her son's devastating diagnosis and difficult rehabilitation, she

found true hope in making a simple choice, a choice to love anyway—to love her son, the life she didn't plan, and the God of hope, who is faithful even when the healing doesn't come. In *Love Him Anyway*, Abby shares her family's journey from heartbreak to triumph and reminds us that hope and joy can be found in life's hardest places.

This book explores the relationship between the practices of pastoral care and the practices of spiritual direction with the aim of enabling pastoral caregivers to draw upon the guiding principles, resources, and techniques of spiritual direction within the Christian tradition. With an emphasis on both "practice" and "presence", the book reclaims the tradition of "soul care" for the pastoral ministry, thereby complementing the medical, or crisis intervention, model of pastoral care with a wellness/growth model of pastoral care.

*Listening for the Soul*: -- Challenges clergy to take seriously the relationship between pastoral care and spiritual direction.-- Integrates theological and psychological insights with issues of spiritual life and formation.-- Includes a chapter on the spiritual formation of children.-- Provides practical guidance for integrating spiritual direction with pastoral care.-- Tends to the pastoral caregivers own needs for spiritual deepening.-- Includes reflection, questions and case studies to enable the text to function on both the individual reader and classroom levels.

The Exodus story is your story. The Israelites' liberation from Egypt and journey to the promised land is one the Bible's most compelling stories a breathtaking account of competing wills, freedom and slavery, faith and doubt. But the Exodus isn't just a long-ago Bible story. It's the overarching theme of every person's life. We each find ourselves enslaved: to work, to destructive relationships, to food, to spending . . . but beyond our personal Egypt lies God's promised land. In *Leaving Egypt*, Chuck DeGroat shows

I'm being pulled in a thousand different directions. As a therapist, Chuck DeGroat hears that line all the time. "I hear it from students and software developers," he says. "I hear it from spiritual leaders and coffee baristas. And I hear it from my own inner self." We all feel that nasty pull to and fro, the frantic busyness that exhausts us and threatens to undo us. And we all think we know the solution — more downtime, more relaxation, more rest. And we're all wrong. As DeGroat himself has discovered, the real solution to what pulls us apart is wholeheartedness, a way of living and being that can transform us from the inside out. And that's what readers of this book will discover too.

"Stunning" short stories by the National Book Award–winning author of *The Lone Ranger and Tonto Fistfight in Heaven* (The Atlanta Journal-Constitution). In this bestselling volume of stories, National Book Award winner Sherman Alexie challenges readers to see Native American Indians as the complex, modern, real people they are. The tender and tenacious tales of *The Toughest Indian in the World* introduce us to the one-hundred-eighteen-year-old Etta Joseph, former co-star and lover of John Wayne, and to the unnamed narrator of the title story, a young Indian journalist searching for togetherness one hitchhiker at a time. Countless other brilliant creations leap from Alexie's mind in these nine stories. Upwardly mobile Indians yearn for a more authentic life, married Indian couples push apart while still cleaving together, and ordinary, everyday Indians hunt for meaning in their lives. *The Toughest Indian in the World* combines anger, humor, and beauty into radiant fictions, fiercely imagined, from one of

A Christ-centered approach to dealing with trauma on both a personal and a communal level Traumas abound. Post-traumatic stress disorder, emotional and sexual abuse, unbearable anxiety and fear, and a host of other traumas afflict people everywhere. In this book Deborah van Deusen Hunsinger weaves together threads from the fields of psychology and pastoral theology as she explores the impact of trauma on people's lives and offers practical strategies and restorative practices for dealing with it. Not only a teacher of pastoral theology but also an experienced pastoral counselor herself, Hunsinger draws on the resources of depth psychology, including object relations theory, trauma theory, family systems theory, nonviolent communication, and restorative circles. She then places her findings in a Christian theological context, emphasizing God's work in and through Jesus' passion, death, and resurrection, to present a cohesive, faith-based vision for healing.
