Translating China for Western Readers:

Reflective ...

Explores the challenges of translating Chinese works for Western readers, particularly premodern texts. This book explores the challenges of translating Chinese works, particularly premodern ones, for a contemporary Western readership. Reacting against the “cultural turn” in translation studies, contributors return to the origin of translation studies: translation practice.

Gu. In the worldwide context of globalization, translation has played an increasingly important role in the cultural exchanges between different cultures, nations, and regions. As globalization has brought China into the global village via the World Trade Organization, the demand for translated Chinese texts has been on the rise for both commercial and cultural reasons.

It turns out that there are online communities, including WuxiaWorld and Gravity Tales, comprised of fans who gather to read the latest translations of Chinese online literature for Western readers. The Global Times' article, which

appears without byline, says, “Teams upload translated stories in English, while Western readers busy themselves by writing reviews and analyzing their favorite stories.”

Western Fans of China's 'Online Literature' Team Up To ...

The 1980s was a golden age of poetry in China. University lecture halls overflowed with people eager to hear contemporary poets who had developed their craft underground during the Mao era. Bold new work by Chinese authors circulated alongside translations of poetry from English, Russian, Japanese and other languages into Chinese.
