The Ultimate Guide—Rick Riordan

To tell the truth, I 've found the Ultimate Guide very helpful myself, as I 'm in the midst of writing the first book in the new Camp Half-Blood series. The guide has helped me keep things straight about who had what magic item, which monster appeared in which book, and how the gods and spirits were interconnected.

The mind-blowing world of Percy Jackson - in full colour. The hair-raising Percy Jackson series brought heroes, gods and rancid-smelling gorgons alive in the 21st century. Enter Percy's world and go deeper than ever before in this full-colour must-have guide. Complete with: Character profiles, maps, monsters and much more. This is a guide no fan should go without. . . Follow the author on his blog Also available: Percy Jackson and the Battle of the Labyrinth Percy Jackson and the Last Olympian Percy Jackson and the Lightning Thief Percy Jackson and the Lightning Thief (audio) Percy Jackson and the Lightning Thief (film tie-in) Percy Jackson and the Sea of Monsters Percy Jackson and the Titan's Curse Percy Jackson: The Demigod Files

Fans of The Kane Chronicles series will adore this gorgeous primer on the people, places, gods, and creatures found in Rick Riordan's #1 New York Times bestselling series. Featuring enough information and extras to satisfy avid followers and budding Egyptologists alike, this lavishly illustrated guide will cast a spell on readers of all ages.

Who cut off Medusa's head? Who was raised by a she-bear? Who tamed Pegasus? It takes a demigod to know, and Percy Jackson can fill you in on the all the daring deeds of Perseus, Atalanta, Bellarophon, and the rest of the major Greek heroes. Told in the funny, irreverent style readers have come to expect from Percy, (I've had some bad experiences in my time, but the heroes I'm going to tell you about were the original old school hard luck cases. They boldly screwed up where no one had screwed up before. . .) and enhanced with vibrant artwork by Caldecott Honoree John Rocco, this story collection will become the new must-have classic for Rick Riordan's legions of devoted fans—and for anyone who needs a hero. So get your flaming spear. Put on your lion skin cape. Polish your shield and make sure you've got arrows in your quiver. We're going back about four thousand years to decapitate monsters, save some kingdoms, shoot a few gods in the butt, raid the Underworld, and steal loot from evil people. Then, for dessert, we'll die painful tragic deaths. Ready? Sweet. Let's do this.

Which Greek god makes the best parent? Would you want to be one of Artemis' Hunters? Why do so many monsters go into retail? Spend a little more time in Percy Jackson's world—a place where the gods bike among us, monsters man snack bars, and each of us has the potential to become a hero. Find out:
• Why Dionysus might actually be the best director Camp Half-Blood could have
• How to recognize a monster when you see one
• Why even if we aren't facing manticores and minotaurs, reading myth can still help us deal with the scary things in our own lives Plus, consult our glossary of people, places, and things from Greek myth: how Medusa got her snake hair extensions, why Chiron isn't into partying and paintball like the rest of his centaur family, and the whole story on Percy's mythical namesake.

A companion guide to THE TRIALS OF APOLLO series, set in the world of PERCY JACKSON. Camp Half-Blood FYI is the funny insider's guide to the demigod training camp in Long Island, narrated by none other than Percy Jackson himself, and other favourite characters will be heard from, too. In response to an awful camp orientation video created by the god Apollo, Percy Jackson and other residents of Camp Half-Blood answer such questions as "What is this place?" and "Do I get to keep the T-shirt?" Newbies can check out the section on the Divine Cabins, read up on Magical Landmarks, and consult the chapter of Training Arenas. But Camp Half-Blood Confidential explores much more than just the buildings and grounds. It includes info that can only be learned from those who live there. For instance, campers do not always co-exist in peace and harmony. The camp is not run with superior efficiency. Prophecies do not flow forth with great regularity. Sprinkled throughout are stories from heroes who have called Camp Half-Blood home or just passed through on their way to places unknown. Chiron himself introduces the book with a brief history of training based on his millennia of experience. And, of course, divine words of wisdom from the god Apollo himself are included, because the demigod authors would prefer not to be struck down by him, thank you very much.

A book of firsts! One epic collection containing the first book from three different New York Times #1 best-selling series by Rick Riordan. THE LIGHTNING THIEF: Zeus's master lightning bolt has been stolen and Percy Jackson is the prime suspect. He and his friends have ten days to find and return it and bring peace to a warring Mount Olympus. To succeed, Percy has come to terms with the father who abandoned him, solve the riddle of the Oracle that warns of betrayal by a friend, and unravel a treachery more powerful than the gods themselves. THE LOST HERO: Jason, Piper, and Leo find themselves at Camp Half-Blood where people won't stop talking about a curse and a camper named Percy who's gone AWOL. These three friends must rely on one another and their newfound demigod gifts as they embark on an epic quest to save Mount Olympus. THE HIDDEN ORACLE: Apollo, once the glorious god of the sun, music, and poetry, has been cast down to Earth in punishment by Zeus. Now, as awkward mortal teenager Lester Papadopoulos, he's been tasked with restoring five Oracles that have gone dark in order to regain his place on Mount Olympus. How is he supposed to accomplish that without any godly powers? He needs help, and a demigod named Percy Jackson shows him where to find it: at a training camp on Long Island called Camp Half-Blood. This primer of heroes and demigods will start readers on three unforgettable adventures. Bonus first chapters from two other amazing series promise more exciting journeys.

You've read the book. You've seen the movie. Now submerge yourself in the thrilling, stunning, and action-packed graphic novel. Mythological monsters and the gods of Mount Olympus seem to be walking out of the pages of twelve-year-old Percy Jackson's textbooks and into his life. And worse, he's angered a few of them. Zeus's master lightning bolt has been stolen, and Percy is the prime suspect. Now, he and his friends have just ten days to find and return Zeus's stolen property and bring peace to a warring Mount Olympus. Series creator Rick Riordan joins forces with some of the biggest names in the comic book industry to tell the story of a boy who must unravel a treachery more powerful than the gods themselves.

Percy Jackson is about to be kicked out of boarding school...again. And that's the least of his troubles. Lately, mythological monsters and the gods of Mount Olympus seem to be walking straight out of the pages of Percy's Greek mythology textbook and into his life. Book #1 in the NYT best-selling series, with cover art from the feature film, The Lightning Thief.
