File Type PDF

What Is

Feminism has taken on a radical bent for some, and swung far from the original intent. But it wasn't supposed to be about man-hating, it was supposed to be about equality and non-discrimination against females.

If feminism and egalitarianism are the same thing then why ...

File Type PDF

What Is

At its core, feminism is the belief in full social, economic, and political equality for women.

Feminism largely arose in response to Western traditions that restricted the rights of women, but feminist thought has global manifestations and variations.
